

MSI Covid-19 Rules

9/3/20

These rules are based on the recommendations issued by the CDC and apply immediately to all persons entering the MSI building until further notice from the MSI Board of Directors:

MASKS

- Masks must be worn by everyone while in the building. (This does not apply to anyone who is alone in the building or is there with a spouse or significant other who shares the same household.)
- While actively shooting in a port, draw the mask down below the nose to avoid fogging your glasses. Return the mask over your nose when leaving the port.

SOCIAL DISTANCING

- Maintain social distancing of 6 feet or more as much as possible.
- Avoid remaining in the scoring room/area if not actively involved in scoring targets during a match.
- If a shooter has a refire during the course of a relay, the range officer or line officer will ask the shooter to step back out of the port to allow the RO or LO will enter the port and exam/clear the refire.

HANDLING / SCORING TARGETS

- People carrying targets from the range to the scoring area and those scoring targets are encouraged to make frequent use of hand sanitizer and/or wash their hands before leaving the building.
- Use of gloves is also permissible and is up to the individual.
