Shoulder to Shoulder Matches!**

## **2022-2023 Season Results**

Members of the Met League,

The US Department of Health and Human Services is planning to allow the Covid-19 Public Health Emergency declaration to expire on May 11<sup>th</sup> 2023. The primary circulating Covid-19 variant is now the Omicron variant, and it appears to be more contagious but less severe. A bivalent booster is available and is recommended going forward for older and immune compromised individuals. There are also drug treatment options which have been developed and show good effectivity.

This year marks a return to shoulder to shoulder matches as the Covid-19 global pandemic appears to be winding down into an endemic stage. This decision was made in the August Board of Governors meeting held August 18<sup>th</sup>, 2022, and it was not a unanimous decision. A motion was made to return to the pre-Covid-19 shoulder to shoulder match format, and following discussion a vote was taken. Four teams voted to continue the postal format, one team abstained, and seven teams voted to return to the normal match format.

Last year's banquet was held as normally scheduled in May of 2022 with about 116 attendees, however, one team impacted by Covid-19 following the 2021 banquet opted not to attend. League meetings continued to have an online Zoom component, however in-person attendance was also encouraged with many officers and teams meeting at the MSI club in Manchester.

This year we also resumed the nomination and selection of the winners for the four Met League awards, Range Officer, Mentoring, Marksmanship, and Leadership. Printed certificates in lieu of plaques and trophies for the individual awards continue to be well received, and will be the norm going forward unless this consensus changes. Trophies will be presented for the Overall Ranking place awards. Plaques will be presented to the winners of the nominated awards, and for the team place awards.

I hope to see you at the banquet!
